Pressure	100 psi (7 bar, 0.7 MPa)			60 psi (4 bar, 0.4 MPa)	
Flow	30 gpm (114 lpm)	80 gpm (300 lpm)	65 gpm (245 lpm)	120 gpm (454 lpm)	105 gpm (397 lpm)
Voltage	120V – single phase 240V – 3 phase 480V – 3 phase	240V – 3 phase 480V – 3 phase			

OUR BRAND PROMISE TO YOU

Since 1926, **innovation**, **quality** and **A+ Service** have been at the centre of Graco.

Experience Innovation

Our focus on innovation results in products and equipment that lead the industry with technologically-advanced features, pioneering design, high performance and unparalleled reliability. In short, innovation is how you get better products!

Building Quality

You're investing in high-quality products built to last for years of reliable service. Moreover, we partner with our customers to better understand how you're deploying our products in the field, then use your experiences to improve performance and durability.

A+ service, every time

You'll see A+ Service in action when you contact any of our support services options no matter where you are in the world. We'll listen to your situation and work methodically to resolve it as quickly as we can. We are guided by a mindset of integrity and a customer service view centred on collaboration and relationships, not transactions.

We're here to answer questions and help address your needs:
